Re: **Notice of Delinquent Permit Fees, Minerals Reclamation Program, Buffalo Mine,
S/045/035, Tooele County, Utah**

Dear Mr. Waite:

This is the third attempt to contact you regarding the payment of permit fees for the Buffalo Mine, located in Section 25, T5S, R4W, Salt Lake County, Utah. On June 30, 1999, this letter and permit fee billing was sent to you under the name of Yankee Gold and Silver Company. That notice was returned on July 30, 1999 and stated "Refused, Return to Sender, Not at this Address." We telephoned your home and found out we did have the correct mailing address for you, therefore, on August 4, 1999 we resent the letter and billing fee to you. Once again the letter was returned to us, stating that you "were not an officer of Yankee Gold and Silver and it was not legal for you to open the letter." The June 30, 1999 letter is enclosed for your information regarding the permit fees.

We have also enclosed a copy of a November 26, 1991 BLM letter to you wherein you had met with the BLM and agreed to reclamation of the Buffalo mine. The letter states you expressed a desire to keep the building on site. The BLM informed us that the building is still on site and they have not released you from reclamation obligations at this project. Therefore, the Division cannot close our permit file without authorization from the BLM.

Enclosed is another billing statement for the \$200.00 permit fees. The permit fees are due annually while your permit and file are open. The permit fee for 1999 was due by July 30, 1999; and the 1998 fee is delinquent. Due the circumstances in your receiving this June 30, 1999 letter, we will extend the date for payment to September 18, 1999. Please respond by that date in order to avoid any further enforcement action.

Sincerely,
